SUN SERUM

with vitamin c & citrus stem cells

Anti-pollution skincare is trending in the beauty industry. It's widely known that sun exposure and environmental impurities can damage healthy skin and contribute to premature aging, making preventative products key.

Our SUN Serum works at a cellular level to help protect against harmful free radicals from UV rays and everyday pollutants, while preserving the appearance of beautiful, vibrant-looking skin. You will see dramatic results with this energy-packed serum that's infused with Citrus Stem Cells from orange, which work to enhance skin elasticity.

Natural orange scent rounds out this formula to create an antioxidant powerhouse that is sure to protect, perfect, and please the skin.

KEY INGREDIENTS

VITAMIN C

A powerful antioxidant that helps protect from photodamage & visibly evens skin tone.

CITRUS STEM CELLS

Stem cells extracted from an orange organize skin structure to visibly increase elasticity
